

Support Coordination

Why choose Southern Stay for Support Coordination?

We can assist you to implement your goals.

Our team will:

- Stand beside you, support you and empower you to make your plan work for you.
- Help you identify the services that will meet your unique needs as outlined in your NDIS plan.
- Explore how to connect with your informal, mainstream and funded supports. We will oversee and coordinate your services.

The choice and control is yours. We can support you to connect with any service provider you choose.
